CASE NO. 2007-00405

NOTICE OF SERVICE AND MOTION
FOR EXTENSION OF TIME

After first being duly sworn, the undersigned, Edward D. Hays, legal counsel for City of Danville, Kentucky, does hereby acknowledge receipt on October 30, 2007, of the (1) Order to Satisfy or Answer dated September 24, 2007, and the (2) Complaint bearing a received stamp at the Public Service Commission on September 18, 2007.

The undersigned counsel further states that on October 23, 2007, his office received a telephone message from Ms. Virginia Gregg of the Public Service Commission, but did not make actual telephone contact with Ms. Gregg until October 26, 2007, at which time, the undersigned was apprised of the filing of a Complaint by the Parksville Water District with the Public Service Commission. Whereupon, the undersigned communicated with the office of the Mayor and City Manager, and with the office of the City Clerk of the City of Danville, and was informed that no one had received on behalf of the City of Danville, formal notice of the filing of the Complaint.

The City had in fact received a letter dated September 6, 2007, advising that a Complaint would be filed in the future. However, it appears the City was not served with any notice of the actual filing of the Complaint and was unaware of said filing until the above described communications with Ms. Gregg. On Monday, October 29, 2007, through a series of e-mail messages between Ms. Gregg and the office of the undersigned, a draft of the Complaint, together with the names of the Mayor and City Manager of the City were verified.

WHEREFORE, the City of Danville, Kentucky, by counsel, does hereby move and request that it be granted additional time in which to file an Answer to the relevant Complaint.

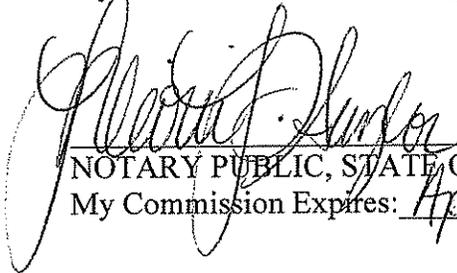

Respectfully submitted this 5th day of November, 2007.
